

Soldier

Rich Gang

[Intro:]

Take yo drink, girl, you know what I'm talk about
You know how I feel about you, shout it when we grind out
Take yo drink, girl, you know what I'm talk about
You know how I feel about you, shout it when we grind out

[Verse:]

I'm out yea on it now cause time don't stop
You know I gotta hit the streets beat up the block
Yeah, until they listening would as my rock
I'm focused got my head in
Rolexes and 11's
Stay grinding ain't that paper chase
Hustlin' to see my family good ya mamas straight
Living money over everything so when they hate
Rolexs and 11's hot box it in my 7's

[Hook:]

Ain't nobody got me like you do my partners be like
That's yo soldier yo lil soldier
That's why I'm ridin' out wit you I'll always be like
That's my soldier my lil soldier
She hold it down and I pick it up
We ballin' like an armored truck
Ain't nobody got me like ya do I'll always be like
That's my soldier my lil soldier

[Verse 2:]

It's hard to see the real girls come and go
Draw you into their fantasies before you know it
Eyes out for my enemies I clear my thorat
With plans to have they wedding Rolexes and 11's
I never have to search your always there
My shawtys always down to grind and she's sincere
I vow to give the world to world to her
Deserve to give the world to world to her

[Hook:]

Ain't nobody got me like you do my partners be like
That's yo soldier yo lil soldier
That's why I'm ridin' out wit you I'll always be like
That's my soldier my lil soldier
She hold it down and I pick it up
We ballin' like an armored truck
Ain't nobody got me like ya do I'll always be like
That's my soldier my lil soldier

[Verse 3: Quan]

30 dollas every minute, that's a Rolex (presidential)
It's my lil soldier, my lieutenant, and ye don't wanna go there
So like ball lil n*a like
No help, ball lil Gucci guy
4 pound, kick back top flo'
Ya hold down, yeah hold down
I ain't tryna be rude
Betta let her do what you taught her
f*k yo principle, I break rules

Got a beatin' section, fell in love with grunt
Got my waist wide, you can hold a gun
I'm a soldier, my lil soldier
If I shoot, y'all n*s gonna run
I told ya that I ain't know ya

[Verse 4:]

Me and jacquees got anotha one
The b*h gon' love this here
I don't snick possum with my otha one
I'mma try to make a mill off this shoe
What ya wanna do right now?
Who you want s*w right now?
Flo' sick, got a flu right now
Pay attention, jacquees, talk to em right now

[Hook:]

Ain't nobody got me like you do my partners be like
That's yo soldier yo lil soldier
That's why I'm ridin' out wit you I'll always be like
That's my soldier my lil soldier
She hold it down and I pick it up
We ballin' like an armored truck
Ain't nobody got me like ya do I'll always be like
That's my soldier my lil soldier
