

1 Thing I Know

Rich Homie Quan

1 thing I know
These bitches come and go
So keep'em out ya business
Don't let'em know what your doing
Cause they be hating and I swear that shit ain't cool
She'll put some niggas on you Don't tell her your every move

1 thing I know
These bitches come and go
So keep'em out ya business
Don't let'em know what your doing
Cause they be hating and I swear that shit ain't cool
She'll put some niggas on you Don't tell her your every move

1 thing I know
Don't ever trust these hoes dawg
1 thing I know
Don't ever love these hoes dawg
These bitches come and go
I had to learn that shit the hard way
So keep'em out ya business
Don't let'em know what your doin

I heard these niggas been stressing bout these bitches lately
They gotta be kiddin but my shoes tide So I ain't trippen baby
Oh my pimpin And then a trigger off But your amazing hey!
Rhymes in the city
Boping that oh my God Dis crazy heyy
And I keep sure My refund no high fuck
And those drugs in And plugged in Like life support
Keep these bitches out your business
Never wife a boy
She sceaming she sceaming just like a boy
And don't love her though
Rule number 2 never trust a ho
And everybody freak what you covering for
She old news
Like a bubble code
I'm in a old school
You bussing up
So pay attention closely Cause this is what the wise man told me

1 thing I know
These bitches come and go
So keep'em out ya business
Don't let'em know what your doing
Cause they be hating and I swear that shit ain't cool
She'll put some niggas on you Don't tell her your every move

1 thing I know
Don't ever trust these hoes dawg
1 thing I know Don't ever love these hoes dawg
These bitches come and go
I had to learn that shit the hard way
So keep'em out ya business Don't let'em know what your doin

Don't let'em know what your doin

Don't let'em knoe that your on
Don't let'em know how you move
Don't let'em know where your goin
Don't let'em play you a fool
I rap like I got me a point to prove
And I'm back like I left something in the room
That repeat got me better now I ain't jumpin no broom
Cause I ain't tryna settle down
Album is coming soon
Got unit curve to curve
And she a true fan she know mi shit word for word
But I still don't trust her
Never ever would love her
I only wanna fuck her
And keep it undercover to
And it's just one thing u gotta do
Keep dem bitches out ya business And never get caught slipping nigga

1 thing I know
These Bitches come and go
So keep'em out ya business
Don't let'em know what your doing
Cause they be hating and I swear that shit ain't cool
She'll put some niggas on you Don't tell her your every move

1 thing I know
Don't ever trust these hoes dawg
1 thing I know Don't ever love these hoes dawg
These bitches come and go
I had to learn that shit the hard way
So keep'em out ya business Don't let'em know what your doin
