

# Brave New World

Richard Ashcroft

Into the brave new world  
I hope I see you on the other side  
Of this changing world

Baby when my ship pulls in  
I try to believe in anyone  
Look at the state I'm in.

But for now I'm just sitting at the table  
Hearing songs  
Wishing I was able, stable  
nah nah nah nah nah nah [3x]  
I hope I see you on the other side [2x]

Brother don't try to find  
Don't try to believe in anyone  
For I would change your mind

Baby when my ship pulls in  
I try to believe in anyone  
Look at the state I'm in, I'm fine

But for now I'm just sitting at the table  
Hearing songs  
Wishing I was able, stable  
nah nah nah nah nah nah [6x]  
I hope I see you on the other side [6x]

But for now I'm just sitting at the table Hearing songs  
Wishing I was able, stable  
Brave new world [3x]  
nah nah nah nah nah nah [6x]  
I hope I see you on the other side [6x]
