

# C'mon People (We're Making It Now)

Richard Ashcroft

Sometimes I feel like I can't move on  
Nothing in life is turning me on  
But I still see clearly  
When I see you smiling

You know nothing seems to fit  
I couldn't see my way through the shit  
When every single second of my waking day

Was thinking of you  
Thinking of you  
You never know  
That I am alive  
I am alive  
I wanna grow

There are so many things I can do  
Just like falling in love with you  
Take my hand now, understand me  
You can come here too

C'mon people, we're making it now  
Yeah, yeah, yeah

But today I worked it out  
I got something I can shout about  
Someone who believes in all the things I'm thinking

But where have you gone  
Where have you gone  
I'll never know

And I am alive  
I am alive  
I wanna grow

There are so many things I can do  
Just like falling in love with you  
Take my hand now, understand me  
You can come here too

C'mon people we're making it now  
If only you could be with us
