

Crazy World

Richard Ashcroft

There's nothing really wrong with the state of your ambition
The whole world is crumbling
Cos your crazy vision

All wars are boys and death is what you hate most
Come on baby
Don't you want to get a new size
new size [3x]

It's a crazy world
For a mixed up boy and a mixed up girl [2x]

So you got no god
You got no love
To tell me off
But you've got that spirit
So please stick with it
This world wouldn't be
A world without you in it
Please Shelter Me [2x]

Upon this Crazy World

It's chewing on my brain like a desert train locus
I find it hard to love
I find it hard to focus

The whole world is crumbling
Cos their crazy visions
Come on baby
Don't you want to get a new size
new size [3x]

It's a crazy world
For a mixed up boy and a mixed up girl [2x]

So you got no god
You got no love
To tell me off
But you've got that spirit
So please stick with it
This world wouldn't be
A world without you in it
Please Shelter Me [2x]

Upon this Crazy World

You got to keep your spirit (please stick with it)
There ain't a world without you in it (choose the spirit)
Keep that spirit (please stick with it)
There ain't a world without you in it (choose the spirit)

So you got no god
You got no love
To tell me off
But you've got that spirit
So please stick with it

This world wouldn't be
A world without you in it
Please Shelter Me [2x]

Shelter me [4x]
yeah

Ohhhhh in this crazy world
For a mixed up boy and a mixed up girl [10x]
