

Everybody

Richard Ashcroft

Cold morning
I was looking out it was a cold day
Songbird was drinking from a table
The songbird he just flew away

Everybody's gotta feel the weight of death sometime
And find out what it's like to be left behind
Sometimes you don't get a chance to ask where or why
So let it break the magic beauty of your fragile mind
And let it break the magic beauty of your fragile mind

It's not a sign of weakness
When you're searching for the places where the memories flow

There may come a time when you rearrange and may leave those memories
You've gotta let them go

Everybody's gotta feel the weight of death sometime
And find out what it's like to be left behind
Sometimes you don't get a chance to ask where or why
Let it break the magic beauty of your fragile mind (4x)

Everybody's gotta feel the weight of death sometime
And find out what it's like to be left behind
Sometimes you don't get a chance to ask where or why
Let it break the magic beauty of your fragile mind (4x)

Stay strong
Move on
Keep on

Stay strong
Move on
Keep on
