

# Lord I've Been Trying

Richard Ashcroft

Lord, I've been trying  
Trying to keep myself from crying  
And it gets hard, there's no use denying  
There's been some nights when I did a little lying

Sure feels like I've been here before  
Yes it sure feels like I've been here before

Captain tell me where I've been,  
Are there waves left there for me?  
Is there something left to see?  
Is there something left to be?  
Oh I know that I'm holding on but I've got time to grow  
Alright, alright, alright  
Said it's alright, now

Days that I've been spending  
And all these blues - they're never ending  
And it gets hard, and life will go on again  
Gonna shake off these blues, I'm leaving them now

Sure feels like I've been here before  
Yes it sure feels like I've been here before

Captain tell me where I've been,  
Are there waves left there for me?  
Can you see the warning sign  
Flashing there in my mind?  
My mind is free and I'm talking up to you - I say  
"Alright, alright, alright"

(I've been trying)  
It feels good, it feels good, it feels good, it feels good, it  
feels good  
(To keep my soul from crying)  
My love is alright now,  
(I've been trying)  
Yeah yeah yeah, yeah yeah yeah  
It's alright, it's alright, it's alright, it's alright, it feel  
s right  
It's alright, it's alright, it's alright, it's alright, it feel  
s right
