

# Nature Is the Law

Richard Ashcroft

Old river and your  
Restless wonder and your  
Graceful leisure rolling to the sea  
How many men have stood like I am  
Gazing out and wishing for someone  
Some are living and  
Some are dead and  
Some are hiding, waiting for the sun

Nature is the law, baby  
Nature is the law, now baby now  
Nature is the law, baby  
Nature is the law, now baby now

The old river with your  
Restless swagger and your  
Graceful wonder flowing to the sea  
I am begging you to hold me and throw me in and  
Tell me when I will find my peace  
Some are dead endings  
Some are living and then  
Some are waiting for the sun

Nature is the law, baby  
Nature is the law, now baby now  
Nature is the law, baby  
Nature is the law, now baby now  
Nature is the law, baby  
Nature is the law, now baby now  
Restless wonder roll into the sea  
Nature is the law, baby  
Nature is the law, now baby now  
Restless wonder flow into the sea

Nature is the law, baby  
Nature is the law, now baby now  
Nature is the law, baby  
Nature is the law, now baby now

Nature is the law, baby  
Nature is the law, now baby now  
Restless wonder roll into the sea  
Nature is the law, baby  
Nature is the law, now baby now  
Restless wonder roll into the sea

Nature is the law, baby  
Nature is the law, now baby now  
Restless wonder flow into the sea  
(Some are dead)  
Nature is the law, baby  
(Some are buried)  
Nature is the law, now baby now  
(Some are waiting)  
Restless wonder roll into the sea

Nature is the law, baby

Nature is the law, now baby now  
Restless wonder roll into the sea
