

Slow Was My Heart

Richard Ashcroft

Slow was my heart
And so you had gone

So we move on
Please stay strong
It keeps on turning yeah yeah for everyone
We keep on learning yeah yeah to kiss the sun

Weak was my strength
Your hand I should have lend

So we move on
Please stay strong

It keeps on turning yeah yeah for everyone
We keep on learning yeah yeah to kiss the sun
Like everyone

Fly, fly my plane
To an eastern runway

And tell me why
Love must die

It keeps on turning yeah yeah for everyone
You keep on learning yeah yeah to kiss the sun

I'm just like everyone
(Keep on learning yeah yeah) (4x)

(Keep on learning yeah yeah) (3x)
For everyone
(Keep on learning yeah yeah) (3x)
