

# Slow Was My Heart

Richard Ashcroft

Slow was my heart  
And so you had gone

So we move on  
Please stay strong  
It keeps on turning yeah yeah for everyone  
We keep on learning yeah yeah to kiss the sun

Weak was my strength  
Your hand I should have lend

So we move on  
Please stay strong

It keeps on turning yeah yeah for everyone  
We keep on learning yeah yeah to kiss the sun  
Like everyone

Fly, fly my plane  
To an eastern runway

And tell me why  
Love must die

It keeps on turning yeah yeah for everyone  
You keep on learning yeah yeah to kiss the sun

I'm just like everyone  
(Keep on learning yeah yeah) (4x)

(Keep on learning yeah yeah) (3x)  
For everyone  
(Keep on learning yeah yeah) (3x)
