Material Girl

Some boys kiss me Some boys hug me I think they're ok If they don't give me proper credit I just walk away

'Cause we are living in a material world And I am a material girl You know that we are living in a material world And I am a material girl

material

Some boys try and some boys lie but I don't let them play (no way) Only boys who save their pennies Make my rainy day

'Cause we're living in a material world And I am a material girl You know that we are living in a material world And I am a material girl

A material, a material, a material, a material girl, girl
