Darlin'

Richard Hawley

Darlin', do you remember me
Back when I used to be your darlin'
Darlin' you know it¹s so hard to tell
Why you said farewell, to me darlin'

You said you wanted to be free
But this loneliness is just killing me
My darlin'
My darlin'

Darlin' hey what you doing now
Me I¹m just hanging round
Mmm darlin'
Darlin' I¹m just here in the rain
With all my old old pains
Oh my darlin'

You said you wanted to be free
But this loneliness is just killing me
Oh my darlin'
Oh my darlin'
My darlin'
