I'm On Nights

Richard Hawley

I¹m on nights, we need the money
I'm half alive but I'm thinking of you
Do you know why?
Oh I know why

On dark nights, no need to worry
I'll work my time but I¹ll try to hurry
So don't you cry
No don't you cry

Baby don't you know
Baby don't you know
I¹ll love you 'til the end of my time
Baby don't you know

And now it's time to lose your sorrow
I'm on days and off tomorrow
So don't look back
No don't look back

'Cause baby don't you know
Baby don't you know
I'll love you 'til the end of my time
Baby don't you know

'Cause baby don't you know
Baby don't you know
I'll love you 'til the end of my time
Baby don't you know
I'll love you 'til the end of my time
Baby don't you know
Baby don't you know
Baby don't you know
