

## Love Of My Life

Richard Hawley

Love, love of my life  
Speaking so soft to me  
I wait in the rain  
Your sin in your eyes  
Washing all over me

Time, time on my side  
Wondering sweetly  
I'm singing your name  
Your name on my mind  
You think of it all for me  
Love in this same old disguise

Love of my life  
Love of my life  
Love of my life  
Love of my life  
Love of my life  
Washing all over me  
Love in the same old disguise

Love, love of my life  
Sleeping so softly  
I burn in the flames  
The flames of your eyes  
Waiting all over me

Time, time on my side  
Whispering sweet to me  
I'm singing your name  
Your name on my mind  
You think of it out for me  
Love in the same old disguise
