

## Oh My Love

Richard Hawley

Oh my child It's been a while  
I've got my style  
I've got my life  
Oh my love  
Oh my love  
You're a cut above the ones who say  
You're a cut above me today  
Oh my one  
Now don't you run  
It's just begun  
Oh you're the one Oh my child  
It's been a while  
I've got my style it's for you to taste  
I've got my life for me to waste on the run  
Oh my love  
Oh my love  
You're a cut above  
All the ones I've loved  
Oh my love  
Ah oh my love  
You're a cut above the ones who take  
You're the one I love and no mistake  
You're a cut above but all my love's too late  
All my love's too late  
All my love's too late  
All my love's too late
