

# Roll River Roll

Richard Hawley

Roll river  
Keep on rolling  
Ancient lady, cold  
I'm forsaken  
Lost and forgotten  
Roll river  
Roll

Roll river  
Roll river  
Roll

Let it take me  
Free and unchain me  
Ancient lady, cold  
Keep on rolling  
Roll on forever  
Hope you send me  
Home

Roll river  
Roll river  
Roll

You hold my body  
Lost and forsaken  
In your deep waters cold  
Oh sacred river  
Take me to my sweetheart  
My lonely bones

Will she remember  
Oh river take me  
On my journey home

Deep dark waters  
To learn your secrets  
River angel rise

Roll river  
Roll river  
Roll

Roll river  
Roll over my  
Bones
