

First Time Ever I Saw Your Face

Richard Marx

The first time ever I saw your face
I thought the sun rose in your eyes
And the moon and the stars were the gifts you gave
To the dark and empty skies, my love

The first time ever I kissed your mouth
I felt your heart beat close to mine
Like the trembling heart of a captive bird
That was there at my command, my love

The first time ever I lay with you
And felt your heart so close to mine
And I knew our joy would fill the earth
And last till the end of time, my love

The first time ever I saw your face
Your face, your face, your face ...
