

# Heart On the Line

Richard Marx

Yeah

One look in your innocent eyes  
And I knew you had to be the one  
You walked out of all of my dreams  
Never thought the day would really come

I've been standing in a long desperate line  
Waiting for somebody like you  
I may only be wasting my time  
Don't know what else to do

If you turn me away  
Just be careful what you say  
Girl, you've got my heart on the line  
Don't be mean, don't be cruel  
Don't you treat me like a fool  
Girl, you've got my heart on the line

It's too late to be wishing I was  
In somebody else's shoes this time  
I'm tied up, like a slave to a chain  
Praying that you'll please be kind

If it's true that love's a disease  
Baby, I'm a dangerous case  
I beg for mercy, got me down on my knees  
You've got a smile on your face

If you turn me away  
Just be careful what you say  
Girl, you've got my heart on the line  
Don't be mean, don't be cruel  
Don't you treat me like a fool  
Girl, you've got my heart on the line

I don't want to stay  
In my own little world  
So if you want to play  
Won't you show me, little girl

If you turn me away  
Just be careful what you say  
Girl, you've got my heart on the line  
Don't be mean, don't be cruel  
Don't you treat me like a fool  
Girl, you've got my heart on the line

If you turn me away  
Just be careful what you say  
Girl, you've got my heart on the line  
Don't be mean, don't be cruel  
Don't you treat me like a fool  
Girl, you've got my heart on the line

Yeah  
Ohh Ohh

Oh, girl, you've got my heart on the line  
Yeah
