Nothin' You Can Do About It

Richard Marx

Have you heard the news?

I'm doing what I said I would

So now you say

Boy, I always knew you could

My Wildest dreams

Murdered by reality

I gave all I could give you

But now I'm taking back what belongs to me

I read you like a drugstore book

How'd I ever think you were cool

You got no bait left on you hook

You're no friend, and buddy, I'm no fool

Ain't nothin' you can do about it Ain't nothin' you can say Ain't nothin' you can do about it No one's gonna stand in my way

I've done my time
I've given up my pound of flesh
So why can't the man seem to understand
That I've already passed the test
You did your best to keep me down
Tried to make my spirit give in
But I'm here to make a big, big sound
It's your time to lose and it's my time to win

Ain't nothin' you can do about it Ain't nothin' you can say Ain't nothin' you can do about it No one's gonna stand in my way

I know you can never go back
Once you turn and walk out that door
Got no time for worries like that
I'm not a kid anymore

You did your best to keep me down
Tried to make my spirit give in
But I'm here to make a big, big sound
It's your time to lose and it's my time to win

Ain't nothin' you can do about it Ain't nothin' you can say Ain't nothin' you can do about it No one's gonna stand in my way
