

O Come All Ye Faithful

Richard Marx

O come all ye faithful,
Joyful and triumphant.
O come ye to bethlehem.
Come and behold him,
Born the king of angels,

Oh come let us adore him,
Oh come let us adore him,
Oh come let us adore him,
Venite venite adoremus dominum,
Venite venite adoremus dominum.

Sing choirs of angels,
Sing in exaltation.
Oh sing all ye citizens
Glory to god in the highest.

Oh come let us adore him,
Oh come let us adore him,
Venite venite adoremus dominum,
Venite venite adoremus dominum.

Oh come let us adore him,
Oh come let us adore him,
Oh come let us adore him,
Venite venite adoremus dominum,
Venite venite adoremus dominum.
Oh come, oh come all ye faithful
Oh come, oh come all ye faithful
Oh come, oh come all ye faithful.
