

Carte Blanche

Richard O'Brien

Carte Blanche is like an avalanche
It kinda snowballs and sets you free
Ahhhhhhh ah
Carte Blanche is like an avalanche
It kinda snowballs and sets you free
Ahhhhhhh ah
Carte Blanche is like an avalanche
It kinda snowballs and sets you free
Ahhhhhhh ah
So if you're looking for a standard
To which you can aspire
Then baby, look at me!
Oh oh oh!
Look at me!
