

## Afterwhile

Richard Smallwood

Afterwhile, afterwhile  
This too shall past  
Afterwhile  
Scars will heal, you'll love again  
It won't hurt you afterwhile (2x)  
Stuck between if and when  
You prayed and tried  
But still no end  
God's purpose soon you'll understand  
It won't hurt you afterwhile (2x)  
Afterwhile, afterwhile  
This too shall past  
Afterwhile  
Scars will heal, you'll love again  
It won't hurt you afterwhile  
So when the pain has come to end  
And now your heart is whole again  
Help someone who needs to know  
That it won't hurt them afterwhile (3x)
