

# Grace And Mercy

Richard Smallwood

Your grace and mercy brought me through,  
if it wasn't for Your love,  
tell me what would I do?  
Your blood redeemed me,  
made me brand new,  
it was Your grace and mercy  
that brought me through.

I know that I don't deserve  
all the things that You've done,  
You keep blessing me over and over again.  
I once was lost deep in sin,  
'til I heard Your voice,  
saying, "you're my child, come on in";  
it was Your grace...

You see, I'm not what I want to be,  
but I'm not what I used to be,  
since He cleansed and made me whole.  
I've got to press towards the mark  
for the prize of the high calling,  
which is in Christ, Jesus,  
I cannot be left behind.

('Cause everyday that I wake up) Your grace,  
(it's Your way of telling me) and mercy,  
(that You love me so) love me so.  
(And every thing that I give up) Your grace,  
(is my way of showing You) and mercy,  
(that You live in me and I've been set free).

Your grace and mercy brought me,  
it brought me,  
it brought me,  
it brought me,  
it brought me.

Your grace and mercy brought me through,  
if it wasn't for Your love,  
tell me what would I do?  
Grace, grace,  
grace and mercy;  
if it wasn't for Your love,  
tell me what would I do?  
Your grace and mercy brought me through,  
if it wasn't for Your love,  
tell me what would I do?

Grace, grace,  
grace and mercy.

Ending:

If it wasn't for Your love,  
tell me what would I do?
