

# Gratitude

Richard Smallwood

It's my  
Gratitude  
What more can I say  
Thank You Lord  
You Keep making a way, I can never repay, all you do everyday,  
Come what may  
I've got to say Thank You

I give you gratitude for the good, for the bad  
Lord, I give gratitude whe I'm happy or when I'm sad  
I can never repay all you do everyday,  
Come what may  
I've got to say Thank You

I've got to  
Enter your gates with thanksgiving,  
Enter your courts with praise  
I'm not asking you for one more thing,  
I'll just praise you  
And bless your name  
I can never repay all you do everyday,  
Come what may  
I've got to say Thank You

I say Thank You  
Jesus (3x)  
Gratitude to Jesus  
Thank you,  
Thank you,  
Lord Gratitude to Jesus
