Here To Deliver

And I'm here to deliever you

'Cause I'm here to deliver you

Don't brag or plead

Richard Smallwood

Saw you standing on the corner of the street that turns to doub What were you doing? Does the running from the questions that you wear you out What are you proving? You're searching and seeking You're reaching, you're needing a Saviour Call Me, I'll hear your cry I'm as close as a prayer And I'm here to deliever you No need to ask Me twice 'Cause I'm here to deliver you Is it true that you are everwhere but where you want to be Caught in the fire? Are you looking for a a love that will finally set you free Is that your desire? Keep asking and seeking You're knocking, you're needing a Saviour Call Me, I'll hear your cry I'm as close as a prayer
