

Jesus Is Right

Richard Smallwood

If you want love in your life
J.E.S.U.S. is right
If you want peace in your life
J.E.S.U.S. is right
If you want some happiness
J.E.S.U.S. is right
If you want some truth in life
J.E.S.U.S. is right

J.E.S.U.S. is right
J.E.S.U.S. is right
J.E.S.U.S. is right
If you want to save the world
J.E.S.U.S. is right
If you want peace in the world
J.E.S.U.S. is right
If you want to do what's right
J.E.S.U.S. is right
If you want free of the world
J.E.S.U.S. is right

Homefront pressures got you down
J.E.S.U.S. is right
Girlfriend/Boyfriend got you down
J.E.S.U.S. is right
Lost it all and nothing left
J.E.S.U.S. is right
If your future's looking down
J.E.S.U.S. is right

Sin slips in your soul is gone
Visions explode your mind erodes
Your brain has took a trip
You're on a dive
You're falling fast
You cannot live you cannot last
You can't recall life at all without pain
Let the little children come to me
And do not hinder them
For the kingdom of God belongs to such as these
I tell you the truth
Anyone who will not receive the Kingdom of God
Like a little child will never enter it
