

Sweet Jesus

Richard Smallwood

Jesus, sweet Jesus,
oh the wonder of His name.
Jesus, sweet Jesus,
let the people give Him praise.

Blessings and glory be given eternally
unto our great and mighty King.
Dying to set us free, rising with victory,
reigning with power and authority,
His name is...

So let us behold Him now, every knee must bow
every tounge will have to confess
that He is Lord of all, creatures both great and small,
reigning in truth and righteousness,
His name is...

The angels bow before Him,
heaven and earth adore Him,
let every nation proclaim our Lord reigns.

The angels bow before Him,
heaven and earth adore Him,
let every nation proclaim

All hail King Jesus.
All hail Emmanuel.

The angels bow before Him,
heaven and earth adore Him,
let every nation proclaim our Lord reigns.

The angels bow before Him,
heaven and earth adore Him,
Let every nation proclaim
All hail King Jesus.
