

When Jesus Came Into My Life

Richard Smallwood

I've got a friend in Jesus,
a wondrous, precious love.
A peace that's deep within,
a blessing from above.

He's always there to comfort
when I am in despair,
a God of understanding,
a God who sees and cares.

Jesus, Jesus,
oh how sweet His name.

He changed me, He cleansed me,
I'll never be the same.

I love Him, I trust Him,
I'll ever praise His name;
such a wondrous day
when Jesus came into my life.

Such a wondrous day
when Jesus came into my life.
