

# You Did It All

Richard Smallwood

Lord, You loved me before I even loved myself,  
Your loving arms reached out for me, You said,  
don't worry, I'll be there when there's no one else  
I'm everything that you need.

You cared for me,  
You set me free,  
You gave Your life on Calvary,  
You did it all for me.

In my weakness I feel Your strength sustaining me,  
for all my help comes from You.  
And in my sorrow I feel such comfort and relief,  
nothing can shake my love for You.

You cared for me,  
You set me free,  
You gave Your life on Calvary,  
You did it all for me.

You are there when I cry,  
walking close at me side.

You cared for me,  
You set me free,  
You gave Your life on Calvary,  
You did it all for me.

You are there when I cry,  
walking close at me side.

You cared for me,  
You set me free,  
You gave Your life on Calvary,  
You did it all for me.
