

## Bank Vault In Heaven

Richard Thompson

Got a bank vault in heaven, got my name on the door  
Every day I get richer, add a little bit more  
Come you tellers and lenders and lend me some more  
Got a bank vault in heaven and it's mine for evermore

And the angels sing "Fly, fly, fly"  
The angels sing "Fly, fly, fly"  
Fly from the darkness that covers you all  
Fly to the sky where the only wall is infinity, infinity

Going to shine down from heaven right into your room  
Take the minds of your children right off to the moon  
Every mud hut and igloo, every penthouse and farm  
I'll shine down from heaven and I'll do my snake-charm

And the angels say "Sing, sing, sing", "Sing, sing, sing"  
Oh the whole world is singing the same happy tune  
Something so low even hound dogs can croon to insanity, insanity

Oh there's a signpost in heaven, in the firmament blue  
You can run to the wastelands, but it points straight at you  
I've got a bank vault in heaven, what joy will it bring  
All you Punchs and Judys, I'll be pulling your strings
