

## How I Wanted To

Richard Thompson

When we parted just like friends  
We never tied loose ends  
I could never say the words that would make amends

Oh how I wanted to  
Oh how I wanted to  
To say I loved you  
To say I loved you  
Oh how I wanted to

From my blue room did you creep  
A love too rare to keep  
Well I heard your step and I turned my head to weep

Oh how I wanted to  
Oh how I wanted to  
Say I loved you  
Say I loved you  
Oh how I wanted to

Oh how I wanted to  
Oh how I wanted to  
Say I loved you  
Just say I loved you  
Oh how I wanted to

Now hearts do what hearts will  
And my nights are sleepless still  
Well I never was the one to speak my fill

Oh how I wanted to  
Oh how I wanted to  
Just say I loved you  
Ah just say I loved you  
Oh how I wanted to

Oh how I wanted to  
Oh how I wanted to  
Say I loved you  
Just say I loved you  
Oh how I wanted to
