When you're rocked on the ocean, rocked up and down, don't worry

When you're spinning and turning round and around, don't worry

You're just feeling sea-sick, you're just feeling weak Your mind is confused and you can't seem to speak It's just the motion, it's just the motion

When the landlord is knocking and your job is losing, don't worry

And the baby needs rocking and your friends are confusing, don't worry

You're just feeling sea-sick, you're just feeling weak Your mind is confused and you can't seem to speak Oh, it's just the motion, it's just the motion

Blown by a hundred winds, knocked down a hundred times Rescued and carried along. Beaten and half-dead and gone

And it's only the pain that's keeping you sane And gives you a mind to travel on

Oh the motion won't leave you, won't let you remain, don't worry

It's a restless wind and a sleepless rain, don't worry 'Cause under the ocean at the bottom of the sea You can't hear the storm, it's as peaceful as can be It's just the motion, it's just the motion

Blown by a hundred winds, knocked down a hundred times Rescued and carried along. Beaten and half-dead and gone

And it's only the pain that's keeping you sane And gives you a mind to travel on

Oh the motion won't leave you, won't let you remain, don't worry

It's a restless wind and a sleepless rain, don't worry 'Cause under the ocean at the bottom of the sea You can't hear the storm, it's as peaceful as can be It's just the motion, it's just the motion It's just the motion
