

Meet On The Ledge

Richard Thompson

We used to say "There'd come the day we'd all be making
songs
Or finding better words" These ideas never lasted long

The way is up along the road, the air is growing thin
Too many friends who tried, blown off this mountain with
the wind

Meet on the ledge, we're going to meet on the ledge
When my time is up, I'm going to see all my friends
Meet on the ledge, we're going to meet on the ledge
If you really mean it, it all comes around again

Yet now I see, I'm all alone, but that's the only way to
be
You'll have your chance again, then you can do the work
for me

Meet on the ledge, we're going to meet on the ledge
When my time is up, I'm going to see all my friends
Meet on the ledge, we're going to meet on the ledge
If you really mean it, it all comes around again
Meet on the ledge, we're going to meet on the ledge
When my time is up, I'm going to see all my friends
Meet on the ledge, we're going to meet on the ledge
If you really mean it, it all comes around again
