

# Mingus Eyes

Richard Thompson

What a fool I was  
What a thin disguise  
Brando mumble  
Mingus eyes

Was a time she fell  
But then she got wise  
Brando mumble  
Mingus eyes

Never had the squint of James Dean  
or the Stanislavsky tears  
Or the rebel hunch that kills  
Or the smile that slowly disappears

What a fool I was  
What a thin disguise  
Brando mumble  
Mingus eyes
