

# The Ghost Of You Walks

Richard Thompson

If that was our goodbye kiss  
Seems a habit too good to miss  
Once more for the memory

Hit the heights too well that time  
To leave it there would be a crime  
Seems more like beginning to me

At least we tried, took the biggest bite  
Least we did it right  
With all our souls and all our might

Blue murder on the dance floor, French kisses in the rain  
Blood wedding in the water till I see you again  
Dutch courage is the game and the ghost of you walks  
The ghost of you walks, the ghost of you walks

The ghost of you walks right through my head  
Sleepwalks at the foot of my bed  
Sends old shivers over my skin

Love like that, won't let go  
It's got some kind of a mind of its own  
I can't break out and I can't break in

At least we lived, took it all at a rush  
At least we loved too much  
Felt too much, cared too much

Blue murder on the dance floor, French kisses in the rain  
Blood wedding in the water till I see you again  
Dutch courage is the game and the ghost of you walks  
The ghost of you walks, the ghost of you walks
