On the dance floor they'll eb all in my space
Swag don't serve so I go the other way
Fumbling the ball they just don't know how to play.

They be all on me, I'll be like nahh
Tryin their hardest just to get my phone number
And I don't wanna, wanna lead him on
here go my pin boy now now get the hell on

Now I'm like ah oh what I do that for
I've done got myself into a situation
Now ah oh what I do that for
He be hitin me all out of control
I got a hundred message on my BBM
I think I'm 'bout to go head and get rid of him
