

Shut Up Boy

Richgirl

Shut up boy, just shut up boy, yeah yeah, yeah.
Now what would it take to get you to shut up for a minute,
I'm sick of this yelling contest.
Ohh, so your a bit, much with it.
Can't you shut up for a minute, and let me get this off my chest.

For the last 15 minutes. I've been trying to let you know that my heart and mind ain't in this relationship no more,
But you just keep on talking over me, not listening as usual.
Bet if I walked out of here right now, you'd just keep on talking soo
...

You can keep running your mouth all you want, when you stop and take a breath I'll be gone.
I said it's so sad that it's ended this way, gotta tell you goodbye baby.
Could you please shut up, so you can hear me.

so whatcha saying girl (2x)
shut up so you can hear me
tell me whatcha saying girl (2x)
shut up so you can hear me.

I wanted to explain to you why I can't stay another minute, but I can't get a word in. no no.

baby I thought everything was cool and that's why I don't understand what's wrong, don't leave me baby. noo.

You see what I'm saying.

For the last 35 minutes, I've been trying to let you know that my heart and mind ain't in this relationship no more
{Please don't leave me cause I do understand that I love you girl}
You keep on talking over me, not listening as usual
{I'm listening}
Bet if I walked outta here right now. you'd just keep on talking soo.

You can keep running your mouth all you want, when you stop and take a breath I'll be gone.
