

## Uncharted Waters

Richgirl

Silly games, foolish lies, all that I'm used to  
But you arrived in my life and before I knew  
It was a drastic change of feelings and it's hard for me to deal with  
How good that you treat me, yeah.  
Cuz your actions speak louder than your words  
Most of you give me good love that I deserve  
Ooo this is scary, how fast I'm falling  
With so many questions in my mind.

Could this be, is this the beginning of the rest of my life?  
Boy I want nothing more than to have you here by my side.  
But it feels like, it's too good to be true when I'm diving into the deep end of love.  
Seems I'm headed for uncharted waters.  
Love me in so many ways that I've never thought of.  
I've never been here before,  
So I'm trusting you to show me the way, show me the way.

You submerge in your arms  
I never felt so much comfort, I'm helplessly in love.  
Everything that I've been waiting for.  
You're all that I need and more.  
It's hard to conceive that you're always on time,  
And it's hard to believe that you know every little thing that I like.  
And with you it's like a blessing that I just don't know, baby tell me...

Could this be, is this the beginning of the rest of my life?  
Boy I want nothing more than to have you here by my side.  
But it feels like, it's too good to be true when I'm diving into the deep end of love.  
Seems I'm headed for uncharted waters.  
Love me in so many ways that I've never thought of.  
I've never been here before,  
So I'm trusting you to show me the way, show me the way.
