

Go Faster

Richie Kotzen

Yeah I've been racing ever since I was 15
And ain't nobody ever catch me
Yeah I was hurtling and taking that money
We made it look so damn easy

You can't slow me down, slow me down
I only got one speed

I'm gonna run till I can't see the ground
I just wanna keep going faster
Yeah yeah yeah
I'm gonna fly and I ain't coming down
I just wanna keep going faster
Baby that's going faster
Yeah yeah yeah
That's what I gotta do

I won so many times
I've never been busted
I don't remember how to loose
You're always saying that I can't escape justice
How many times I gotta tell you
