

# Larger Than Life

Richie Kotzen

Why do i feel larger the life  
when I'm alone with you  
And why do the answers all come down to,  
I do, I do?

Look at my Face, into my eyes  
I've been touched by you  
Give me your hand  
take me away  
oh baby tell me the true

why do i feel larger the life  
when I'm alone with you  
And why do the answers all come down to,  
I do, I do, I do?

And why are the tears we cry from laughter..  
It's good, it's so damn good....  
Maybe this is the everafter for me and for you

Take of my time, take of my trust  
I give it all to you  
Don't say that you love me  
Don't say a word  
I feel the same way too

why do i feel larger the life  
when I'm alone with you  
And why do the answers all come down to,  
I do, I do, I do?

And why are the tears we cry from laughter..  
It's good, it's so damn good....  
Maybe this is the everafter for me and for you

I know what it feels like  
what it feels like  
when you are on your own  
this doesn't feels like  
it don't feel like  
nothing nothing but known

why do i feel larger the life  
when I'm alone with you  
And why do the answers all come down to,  
I do, I do, I do?

And why are the tears we cry from laughter..  
we're good, we're so damn good....  
Maybe this is the everafter for me and for you
