## **Paying Dues**

## **Richie Kotzen**

Maybe I'm just wasting time Maybe I'm paying dues Maybe I'm just one more lie Maybe I'm just doing what I'm meant to do

I been locked up at the county jail Been called a loser I should cut my hair Been called unfaithful and I don't care I've done it all but I'm doing nothing

Maybe I'm just wasting time Maybe I'm just paying dues Maybe I'm just one more lie Maybe I'm just doing what I'm meant to do

I've been put down but my skin is thick I may be small but my hands are quick I lay in the cut and I'm in the mix I'm all lit up I'm ready for you

Maybe I'm just wasting time Maybe I'm just paying dues Maybe I'm just one more lie Maybe I'm just doing what I'm meant to do

I made a fortune and I lost it too And I've been loved and I've been used I'm undecided but I see the truth I aint had enough till I had you

Maybe I'm just wasting time Maybe I'm just paying dues Maybe I'm just one more lie Maybe I'm just doing what I'm meant to do

I'm paying dues Maybe I'm just wasting time Maybe I'm paying dues I got nothing to lose, yeah Maybe I'm paying dues
