

In It For Love

Richie Sambora

Life is a road
Forever winding where it leads us
I don't know
In it together for better or worse
Searching for our pal of gold

Time leaves a trail
Of broken hearts
So many arrows
Just keep missing their mark
Baby, that ain't us

Nothing else matters
When you're in it for love
Together we can only go higher
You can reach any rainbow
You're dreaming of

Nothing else matters at all
When you're in it for love, baby
Yeah, we'll share in the laughter
Share in the tears
And the promises we keep

Life can be crazy
Love can be cruel
But it's always been
A two way street

You try and give it
All you have to give
So many people
Don't know how to forgive
Baby, that ain't us

Nothing else matters
When you're in it for love
Together we can only go higher
You can reach any rainbow
You're dreaming of
Nothing else matters at all
When you're in it for love, baby

You try and give it
All you have to give
So many people
Don't know how to forgive
Baby, that ain't us

Nothing else matters
When you're in it for love
Together we can only go higher
You can reach any rainbow
You're dreaming of

Nothing else matters at all
When you're in it for love, baby

When you're in it for love, baby
In it for love

When you're in it for love, baby
When you're in it for love, baby
When you're in it for love, baby
In it for love
