

Is This Really Love

Rick Astley

There are times when a woman makes you laugh and cry
Nobody knows when she is telling lies
I just want to hear the truth from you
So don't play those games you always do

You don't have to hide the way you feel
Tell me if your love for me is real

Is this really love
Is this the real thing
Is this really love
Can it be the right thing

I was born in a prison there was no way out
If you want to be heard you got to scream and shout
You don't know the kind of mess I'm in
Nobody else is going to save my skin but

You have got the key to set me free
If you want my love then rescue me

Is this really love
Is this the real thing
Is this really love
Can it be the right thing
(2x)

You don't have to hide the way you feel
Tell me if your love for me is real

Is this really love
Is this the real thing
Is this really love
Can it be the right thing
(2x)
