

Miracle

Rick Astley

Many Roads I've Travelled
And Faces I've Seen
Each Tells A Story
Of What Might Have Been
A Missed Golden Moment
But Life Still Remains
A Search For The Innocence
Somehow We Lost On The Way

And We All Need A Miracle, That I Truly Believe
Yes We All Need A Miracle, And I Believe My Miracle Is You

Now The Silence That Follows
The Last Curtain Call
I Don't Know Anyone
Who Has Come Through It All
You Gave Me Direction
A Part In Your Cast
No Longer Make Believe
Now That I Know It Will Last

Cos We All Need A Miracle, That I Truly Believe
Yes We All Need A Miracle, And I Believe My Miracle

And I Believe My Miracle
I Believe My Miracle
Yes I Believe My Miracle Is You
