

No More Looking for Love

Rick Astley

I've been waiting
For a love to call my own
I've been hoping
You would say you're coming home

I will put my arms around you
Baby, I'm so glad I found you
There ain't nothing I can do
Now that I'm in love with you

No more looking for love
Now that I'm in love with you
No, there's no more looking for love
Now I've found a love that's true

I've been thinking
'Bout the way you looked last night
I remember
How we held each other tight

As we lay beside the fire
I felt the heat of pure desire
There ain't nothing I can do
Now that I'm in love with you

No more looking for love
Now that I'm in love with you
No, there's no more looking for love
Now I've found a love that's true

I'm so glad that love has come around
I'm so thankful for the love I've found

No more looking for love
No more looking for love

No more looking for love
Now that I'm in love with you
No, there's no more looking for love
Now I've found a love that's true

No more looking for love
Now that I'm in love with you
No, there's no more looking for love
Now I've found a love that's true
No more looking for love
