

# Take Me to Your Heart

Rick Astley

Are we lovers  
Or only just friends  
Come tomorrow  
Will I be lonely again  
When you see me  
Is it love in your eyes  
What you feeling  
Deep down inside

Do you think about me  
When I'm far away?  
Do you dream about me  
Can I find a way  
To make you want me  
The way I want you  
'cos I think I love you  
Could you love me too?

Take me to your heart  
Never let me go  
If you knew what I'm feeling  
You would not say no  
Take me to your heart  
Never let me go  
For your love, for your love  
Is all I need to know

Can you tell me  
When you look at me  
If you need me  
In all honesty  
Because I'm certain  
As sure as can be  
I'd make you happy  
Eternally

'cos I think about you  
When you're far away  
And I dream about you  
Night and day  
Can I make you want me  
The way that I want you  
'cos I think I love you  
Could you love me too?

Take me to your heart  
Never let me go  
If you knew what I'm feeling  
You would not say no  
Take me to your heart  
Never let me go  
For your love, for your love  
Is all I need to know

'cos I think about you  
When you're far away  
And I dream about you

Night and day  
Can I make you want me  
The way that I want you  
'cos I think I love you  
Could you love me too?
