

# Be My Lady

Rick James

(Ooouah ooouah...)

Girl, I wanna talk to you  
I want to whisper in your ear  
And tell you stories that you've never heard before, oh baby  
Girl, I wanna sing to you  
I wanna sing about your spirit, I've been trying to get near it for so long,  
yeah  
And when it's over, and lights are low  
I'll give you so much pleasure that you'll never want to go  
Give me an answer, please make it soon  
Cause I, want to be the one, that you run home to  
When you really need good loving

(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah  
(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah

(Ooouah ooouah...)

Girl, I want to be with you forever  
Baby tell me that we'll never be apart, oh no  
Girl, I want to look at you  
I want to look within your beauty, you're a sweet and sexy cutie, that's for  
real, oh yeah  
And when it's over, and lights are low  
I'll give you so much pleasure that you'll never want to go  
Give me an answer, please make it soon  
Cause I, want to be the one, that you run home to  
When you really need good loving

(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah yeah  
(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah yeah  
(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah, yeah  
(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah, ow!

In Buffalo, New York we got a thing we do when we popping  
And it goes something like this  
Dig this!

(Ooouah ooouah...)

Say it!

(Ooouah ooouah...)

(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah yeah  
(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah  
(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah yeah  
(Be my lady) that's all I'm asking ya baby  
(Be my lady) yeah yeah yeah yeah

(Ooouah ooouah...)  
Party, baby!  
Well  
Sing!  
Look out, y'all  
Dance  
Yeah, yeah  
(Be my lady...)  
Ooh baby, yeah  
(Be my lady...)
