

# Can't Stop

Rick James

Can't Stop, Can't Stop, Can't Stop, Can't Stop  
Can't Stop, Can't Stop, Can't Stop, Can't Stop

There's something in the air  
It's telling me I should beware  
Can't Stop, Can't Stop, Can't Stop, Can't Stop  
These multi city streets  
Make it so that you can't miss a beat  
Can't Stop, Can't Stop, Can't Stop, Can't Stop  
I've got to keep my two eyes open today  
Look out for someone that might have the urge to play  
Maybe go to California with a suitcase in my hand  
Get me a suite in Beverly Hills and have  
The best of life and thrills

I can't stop  
No I just can't stop it now  
I can't stop  
Got to keep on rocking and living it up  
Ain't never gonna give up  
I can't stop  
No I just can't stop it now  
I can't stop  
Got to keep on rocking and living it up  
Ain't never gonna give up

I can't stop babe

There's something in the air  
It's telling me I should beware  
Can't Stop, Can't Stop, Can't Stop, Can't Stop  
These multi city streets  
Make it so that you can't miss a beat  
Can't Stop, Can't Stop, Can't Stop, Can't Stop  
I've got to keep my two eyes open today  
Look out for someone that might have the urge to play  
Maybe go to California with a suitcase in my hand  
Get me a suite in Beverly Hills and have  
The best of life and thrills

I can't stop  
No I just can't stop it now  
I can't stop  
Got to keep on rocking and living it up  
Ain't never gonna give up  
I can't stop  
No I just can't stop it now  
I can't stop  
Got to keep on rocking and living it up  
Ain't never gonna give up

I can't stop, I can't stop
