

# Do You Wanna Play

Rick James

I don't know how I ever managed to find you  
But I swear, you're the most incredible thing to ever happen to me in my life  
Last night was more than special, baby  
Last night was, well, it could never be explained in words  
So I won't even try  
Yesterday we got our groove on like there was no tomorrow  
Now tomorrow's gone and here we are, still body to body  
Locked in love's embrace

Girl, you're sweeter than you were yesterday  
Tell me do you wanna play  
Do you wanna play? Well, well  
Do you wanna, girl, do you wanna?  
Girl, you're sweeter than you were yesterday  
Tell me do you wanna play  
Do you want to play with me? (Do you wanna play?)

Girl, you're sweeter than a lollipop  
Just as sweet on the bottom as you are on the top, yeah  
And I wanna be the only man, that you come for  
I wanna be your lover and your toy  
I wanna be the only man that makes you scream with joy  
So tell me baby, do you wanna play?  
Girl, do you wanna play with me? Do you wanna?

Girl, you're sweeter than you were yesterday  
Tell me do you wanna play  
Well, do you wanna play? Do you want to play with me?  
Girl, do you wanna, do you wanna?  
Girl, you're sweeter than you were yesterday  
Tell me do you wanna play  
Do you want to play with me?

Girl, let me take you up and down  
'Cause every time we do it, baby, it's a merry go round now  
It gets better each and every time we ride, baby  
Say the word and I will come to you  
And get as freaky with it, sugar, as you want me to, yeah  
I'm just a man that wants to have some fun  
So do you wanna play me? Do you wanna?

Girl, you're sweeter than you were yesterday  
Tell me do you wanna play with me, oh  
Oh, do you wanna?  
Girl, you're sweeter than you were yesterday  
Do you wanna play with me, baby? Sugar, you, yeah

Girl, I like to do it nice and slow  
'Cause the easier I do it, girl, the more you blow, yeah  
I'll be gentle, take my time  
'Til I blow your mind  
But we can do it any way you please  
If you want me to, I'll even get down on my knees, yeah  
And I'll stay there 'til you had enough  
Just say you wanna play with me  
Do you wanna?

Girl, you're sweeter than you were yesterday  
Tell me do you wanna play  
Tell me do you wanna play with me, yeah, oh, oh no  
Girl, you're sweeter than you were yesterday  
Tell me do you wanna play  
Girl, you're sweeter than, sweeter, oh, oh oh

Do you wanna? Girl, do you wanna?  
Do you wanna play?

Girl, you're sweeter than you were yesterday  
Tell me do you wanna play  
Tell me if you wanna play  
Do you wanna? Do you wanna?  
Baby, do you wanna play with me?  
Girl, you're sweeter than you were yesterday  
Tell me do you wanna play, baby  
Do you wanna? Do you wanna?
