

## Mary -Go- Round

Rick James

Mary say she wanna just be happy  
And she doesn't want to be let down  
Make her smile and make her happy  
And that's all you have to do to keep her 'round  
I would take you Mary  
Anywhere you want to go  
On my private Lear jet  
We could fly to Mexico  
Lay 'round in the grass  
Make love on the sand  
You could be my lady  
I could be your man  
Mary get down, Mary-Go-Round, yeah  
Mary-Go-Round and round and round and round  
Mary-Go-Round, yeah  
Mary say she doesn't wanna be lonely  
I could never do that in a million years  
I don't tease her, I just please her  
And in that way I don't have to see her tears  
Hey Mary, baby, let's go to Paris, France  
And by the Champs Elysees we could make romance  
Make love and dine and wine  
We'd have a good time  
Your wish is my command,  
Girl, I'm your biggest fan  
Mary get down  
Mary-Go-Round, yeah  
Mary-Go-Round and round and round and round  
Mary-Go-Round, yeah  
Mary wanna dance  
And Mary wanna sing  
Mary wanna love me and everything  
Mary wanna dance and Mary wanna sing  
Mary wanna make love and everything  
Mary do you wanna roll around  
Mary do you wanna roll around  
Mary do you wanna roll around  
Or do you just wanna get on down  
She likes it up and down  
She likes it in and out  
Give it up for Funk  
Just give it up for funk
